ADVICE ON EXAMINATIONS 2021

EXAMINATION REGULATIONS

- Copies of the 'Information for Candidates' and 'Warning to Candidates', which are issued by JCQ on behalf of the examination boards, are printed at the front of this booklet. All candidates must read these carefully and note that to break any of the examination rules or regulations could lead to disqualification from all subjects. The College must report any breach of regulations to the examination boards.

ATTENDANCE AT EXAMINATIONS

- Candidates are responsible for checking their own timetable and arriving at College on the correct day and time, properly dressed and equipped. Candidates should arrive 20 minutes prior to the start of their examination. Please wait quietly outside the room until you are invited to enter by the invigilators.
- The start time shown on your timetable is the time that the exam starts not the time to arrive. Candidates who arrive late for an examination may still be admitted but a report may have to be completed and sent to the examination board. If special consideration applies then you must speak to the Exams Office (see ABSENCE FROM EXAMINATIONS).
- College Uniform must be worn by students attending College for examinations.
- All items of equipment, pens, pencils, mathematical instruments, etc. should be visible to the invigilators at all times. You must use either a transparent pencil case or a clear plastic bag.
- Pens must be **black** ink or **black** ballpoint. No correction pens or tape are allowed.
- For Mathematics and Science exams, students should make sure their calculators conform to the examination regulations. If in doubt, check with your teacher. Remove any covers or instructions and make sure batteries are new.
- Please make sure that any watch alarms are turned off.
- Do not attempt to communicate with or distract other candidates.
- Examination regulations are very strict regarding items that may be taken into the examination room (see FAQs at the end of this booklet). If you break these rules you may be disqualified from the examination.
- **Mobile telephones, smart watches, iPods, MP3/4 players or any other technological/web enabled sources of information MUST NOT BE BOUGHT INTO THE EXAMINATION ROOM.** If any of these devices are found in your possession during an examination (even if it is turned off or broken) it will be taken from you and a report made to the appropriate exam board. No exceptions can be made.
- All wrist watches must be placed on your desk before the start of the exam.

- No food is allowed in the examination rooms unless required for medical reasons. Water in a clear bottle with all labels removed and preferably with a pull top, is the only drink permitted in the examination room.
- Please do not write on the examination desks. This is regarded as vandalism and you will be asked to pay for any damage.
- Do not draw graffiti or write offensive comments on examination papers – if you do the examination board may refuse to accept your paper. Inclusion of offensive comments or obscenities aimed at a member of staff, examiner, ethnic or religious group; racist or lewd remarks or drawings on examination material may lead to penalties for a candidate up to and including the loss of all marks and being disqualified from all examinations in that series together with a ban on entering all future examinations for a set period of time.
- Listen carefully to instructions and notices read out by the invigilators – there may be amendments to the question paper that you need to know about.
- Check you have the correct question paper – check the subject and tier of entry.
- Read all instructions carefully and number your answers clearly.
- You will not be allowed to leave an examination room early. If you have finished use any time remaining to check over your answers and to ensure that you have completed your details correctly.
- At the end of the examination all work must be handed in – remember to cross out any rough work. If you have used more than one answer booklet or loose sheets of paper then these should be inserted inside the answer booklet.
- Invigilators will collect your examination papers before you leave the room. Absolute silence must be maintained during this time. Remember you are still under examination conditions until you leave the room.
- Question papers, answer booklets and additional paper must **NOT** be taken from the examination room.
- Remain seated in silence until you are told to leave. Please leave the room in silence and show consideration for other candidates who may still be working.
- If the fire alarm sounds during an examination the invigilators will tell you what to do. Don't panic. If you have to evacuate the room you will be asked to leave in silence and escorted to a designated assembly point. Leave everything on your desk. You must not attempt to communicate with anyone else during the evacuation. When you return to the examination room do not start writing until the invigilator tells you to. You will be allowed the full working time for the examination and a report will be sent to the examination board detailing the incident.

INVIGILATORS

- The College employs external invigilators to conduct the examinations. Students are expected to behave in a respectful manner towards invigilators and follow their instructions at all times.
- Centre staff may be present at the start of an examination to assist invigilators with identification of candidates but are not allowed to advise on which sections of the paper or which particular questions should be attempted.
- Invigilators are in the examination rooms to supervise the conduct of the examination. They will distribute and collect the examination papers, tell candidates when to start and finish the examination, hand out extra writing paper if required and deal with any problems that may occur eg if a candidate is feeling ill.
- Please note that invigilators cannot discuss the examination paper with you or explain the questions.
- Pupils who are disruptive or behave in an unacceptable manner will be removed from the examination room by invigilators and members of the Senior Leadership Team.

CLASHES

- If you have two or more examinations scheduled at the same time, then you have a clash (see FREQUENTLY ASKED QUESTIONS). You will be notified individually of the arrangements regarding these.

TIMETABLES

- A copy of your own individual timetable showing your specific examinations with details of date, time, duration and venue and seat number is enclosed with this booklet. A copy of this is also sent to your College email. **Check it carefully, and then take a photo of it with your phone!** If you think something is wrong or you think there is a clash on your timetable that has not been resolved, please speak to a member of the Exams Office immediately.

ABSENCE FROM EXAMINATIONS

- If you experience difficulties during the examination period (e.g. illness, injury, or personal problems) please inform the College at the earliest opportunity so we can help and advise you. If you have a headache, stomach ache, general upset etc on the day of an examination please speak to a member of the Exams staff BEFORE the examination so that we are aware. Unfortunately, a phone call afterwards from your parents/carers cannot be acted upon.
- Only in 'exceptional circumstances' are candidates allowed special consideration for absence from any part of an examination. It is essential that medical or other appropriate evidence is obtained on the day by the candidate/ parent and given to the Exams Office without delay if an application is to be made for special consideration.

- A self-certification form (JCQ/ME Form 14) can be obtained from the Exams Office which can be countersigned by your doctor or nurse.
- For the award of a grade by special consideration, where a student misses part of an examination through illness or personal misfortune, a minimum of 25% of the examination (including coursework) must have been completed for both GCSE and GCE examinations.
- Parents and candidates are reminded that the College will require payment of entry fees (approx. £40.00 per GCSE subject) should a candidate fail to attend an examination without good reason.
- Please note that misreading the timetable will not be accepted as a satisfactory explanation of absence.

EXAM CONTINGENCY DAY

The College has been informed by the JCQ (Joint Council for Qualifications) who are the providers of regulations and examination practices across the UK that they are planning to hold an Exam Contingency Day on **TBC**. You must be available up to and including this date, in case of any emergency changes to the examination schedule.

You will not be expected in College that day unless you have a scheduled examination.

FREQUENTLY ASKED QUESTIONS

Q. What do I do if there's a clash on my timetable?

- The College will re-schedule papers (on the same day) where there is a clash of subjects. Candidates will normally sit one paper then have a break during which they will be supervised and must not have any communication with other candidates - they will then sit the second subject paper (a third paper may follow on occasions). Revised times will be shown on your individual candidate timetable. It may be necessary for you to bring a packed lunch if you have examinations in both morning and afternoon sessions as you will have to remain in isolation until both examinations are completed. You will be supervised by the Exams Office staff during this time. If in doubt please consult the Exams Office.

Q. What do I do if I think I have the wrong paper?

- Invigilators will ask you to check before the examination starts. If you think something is wrong put your hand up and tell the invigilator immediately.

Q. What do I do if I forget my Candidate Number?

- Candidate Numbers are printed on your individual timetable and on seating plans which are displayed outside the exam rooms. This number will be the same for all of your exam at IVC.

Q. What do I do if I forget the school Centre Number?

- The Centre Number is 22161. It will be clearly displayed in the examination rooms.

Q. What do I do if I have an accident or am ill before the examination?

- Please inform a member of the Exams Office at the earliest opportunity so we can help or advise you. In the case of an accident which results in you being unable to write, it may be possible to provide you with a person (scribe) to write your answers but we will need as much prior notice as possible. You may need to obtain medical evidence (from your GP or hospital) if you wish the College to make an appeal for Special Consideration on your behalf (see below).

Q. What is an Appeal for Special Consideration?

- Special Consideration is a post-examination adjustment to a candidates mark or grade to reflect temporary illness, temporary injury or some other event outside of the candidates control at the time of the assessment which has had or is reasonably likely to have had a material effect on a candidates ability to take an assessment or demonstrate their normal level of attainment in an assessment. The allowance for Special Consideration is from 0 % (consideration given but addition of marks considered inappropriate) to 5% (reserved for exceptional cases). You should be aware that any adjustment is likely to be small and no feedback is ever provided by the examination boards.
- Candidates will only be eligible for Special Consideration if they have been fully prepared and covered the whole course but performance in the examination or in the production of controlled assessment is affected by adverse circumstances beyond their control. The Exams Office must be informed immediately, so that the

necessary paperwork can be completed and the candidate will be required to provide evidence to support such an application.

Q. What do I do if I feel ill during the examination?

- Put your hand up and an invigilator will assist you. You should inform an invigilator if you feel ill before or during an exam and you feel this may have affected your performance. All incidents will be recorded on the Exam log sheet.

Q. If I'm late can I still sit the examination?

- Provided you arrive at College by 10am or by 2pm it may still be possible for you to sit the examination. You should get to College as quickly as possible and report to Reception. A member of staff will escort you to the exam room. You must not enter an examination room without permission after an examination has begun.
- You should also be aware that if you start the exam more than 30 minutes after the published starting time, the College must inform the examination board and it is possible that the board may decide not to accept your work. Please ensure that you allow enough time to get to College so that if you are delayed (e.g. through transport problems) you will still arrive on time.
- If you arrive after the examination has finished you will not be admitted.

Q. If I miss the examination can I take it on another day?

- No. Timetables are regulated by the examination boards and you must attend on the published date and time.

Q. Do I have to wear College uniform?

- Yes. College uniform must be worn by all students attending examinations.

Q. What equipment should I bring for my examination?

- For all examinations you should bring at least 2 pens (**BLACK ink only**).
- For some examinations you will need a calculator (Maths/Science), a 30cm ruler (marked with cm and mm), pencil sharpener and rubber, compasses, protractor, coloured pencils (not gel pens).
- You are responsible for providing your own equipment for examinations. You must not attempt to borrow equipment from another candidate during the examination.

Q. What items are not allowed into the examination room?

- Only material that is listed on question papers is permitted in the examination room and students who are found to have any material with them that is not allowed will be reported to the appropriate examination board. In such circumstances, a student would normally be disqualified from the paper or the subject concerned.
- Bags and coats and any other items not permitted under examination regulations must be left in the changing room or placed at the rear of the smaller exam venues. Do not bring any valuables into school with you when you attend for an examination.
- No food is allowed in the examination room unless required for medical reasons. A small bottle of water in a clear container and with all labels removed is the only drink allowed in the exam room.
- Mobile telephones must not be brought into the Sports Hall. In the smaller venues mobile telephones must be placed in the plastic wallets provided and handed into the invigilators. These will be returned to you at the end of the examination.

Q. Why can't I bring my mobile telephone into the examination room?

- Being in possession of a mobile phone (or any other electronic communication device, e.g. iPod, MP3/MP4, headphones, smart watch etc.) is regarded as cheating and is subject to a severe penalty from the awarding bodies.
- The **minimum** penalties are as follows:
- Device found on you and turned **ON** – **disqualification from the entire subject award.**
- Device found on you and turned **OFF** – **disqualification from the specific paper you are sitting at the time.**
- If your phone sounds during the examination **wherever it is in the room** the examination board must be informed and **you may be disqualified from all papers for the subject (including and already taken).**

Q. How do I know how long the examination is?

- The length of the examination is shown on your individual timetable under the heading 'duration'. Invigilators will tell you when to start and finish the exam and will write the start and finish time on a board at the front of the room. There will be a clock in all examination rooms.

Q. Can I leave the examination early?

- No. It is the College policy not to allow candidates to leave the examination early, as this can be disruptive to other candidates. A candidate may not leave the examination room without the permission of the invigilators.

Q. What do I do if the fire alarm sounds?

- The examination invigilators will tell you what to do. If you have to evacuate the room leave everything on your desk and leave the room in silence. You must not attempt to communicate with any other candidates during the evacuation.

Q. Can I go to the toilet during the examination?

- Only if it is absolutely necessary. You will be escorted by an invigilator and will not be allowed any extra time. All incidents will be recorded on the exam log sheet.

Q. Why do I need to check the details on the Statement of Entry?

- The personal details on your Statement of Entry will be used when certificates are printed. If the name or date of birth on your certificates does not match that on your birth certificate it could cause you problems later if you are asked to show your certificates to a potential employer or for entry to College/ University. You should also check that the subjects and the tiers of entry are correct and that no subjects are missing.

Q. I am entitled to extra time – how will this work?

- Some students receive an allowance of 25% extra time. A card giving details of your approved access arrangement will be placed on your desk. Invigilators will have been made aware of your arrangement and will include additional time when they display the finishing time of your examination on the board.

Q. What do I do if I don't get the grades I need/ expect?

- Teaching staff will be available to advise you on results day. If you feel strongly that it is necessary to make an enquiry about your result you should first consult the Lead Practitioner of that subject to obtain their advice as to the advisability of requesting a review of the paper. You should be aware that your mark could go down as well as up or even stay the same.
- Review of marking requests must be submitted to the Exams Office by the deadlines shown on the Post Results Services sheet at the back of this booklet. **You will need to complete a Candidate Consent Form and return it with the appropriate fee to cover the cost of the service.**
- GCE students can request a priority photocopy of their AS/A2 examination script for the sole purpose of deciding upon an enquiry about results.
- Requests for Post Results Services will not be actioned until the

appropriate form has been completed and full payment has been received.

Q. When is study leave?

- Study leave will begin on ** May 2021.

REVIEW OF RESULTS (RoR)

You can also ask to have a clerical re-check if you think there may have been an arithmetical mistake, the Exams Office can give further information. Review of results (RoR) is the term for a review of marking. This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly and is available for all externally assessed components. The deadline for completion is within 20 calendar days of the examination board receiving the request

If you apply for a review of marking there are three possible outcomes:	
1.	Your original mark is lowered, so your final grade may be lower than the original grade
2.	Your original mark is confirmed as correct, and there is no change to your grade
3.	Your original mark is raised, so your final grade may be higher than the original grade you received

To proceed with a review of marking, you must complete the candidate consent declaration on the application form. This tells the Principal that you have understood what the outcome might be, and that you give your consent to the review being made. If you ask for a review the examination board will carry out a clerical re-check and your script will be reviewed by a senior examiner. You can also ask for a copy of your script at the same time
